Message from the Chairman

Dear all

May I take this opportunity to welcome your team and your players to the East Lancashire Table Tennis League for the coming season 2014/2015. In this Handbook you should find all the relevant information to thoroughly enjoy the coming season. The Website continues to develop and improve and you will find lots of up to date and interesting information on the site, including the latest results, league and merit tables. As ever we need to thank Martin Wyatt for all his work on the Website.

Please be aware that the ETTA has changed its name to Table Tennis England (TTE). All players need to re-register directly with TTE to get their IM Number and, as expected, they have increased the cost of this to £10 for adults and £5 for juniors. Please note that you must be registered for the season 2014-15 before you play a game in the League

At the time of going to press we will have 42 teams competing in the League. This gives us two divisions of 11 teams and two of 10, with all of them playing within a 12 team matrix. The Premier and the First have 11 teams so they will play 20 matches and have 2 free weeks. The Second and Third have 10 teams so will play 18 matches and have 4 free weeks. Team 12 has no team allocated in all divisions. In the Second Division Team 11 is not allocated and in the Third this applies to Team 6.

This year we are continuing with the way of presenting the fixtures that we piloted last year. Each team will be allocated a number from 1 to 12, which are shown on the Teams, Venues and Secretaries pages. Fixtures are then shown for each week in the Weekly Fixtures pages, with the first number being the home team. For example in the Premier Division W/C 22nd September Team 3 (K Ward Plumbing) are at home to Team 10 (Hyndburn TTC A).

Please note that this year we have introduced some new score cards that have a slightly larger box to enter the details of the doubles match. We now need you to enter the numbers of the player taking part in the doubles. Thanks to ULTRAFRAME for again sponsoring these cards. Please return all the score cards to the Fixtures Secretary, Mike Turner, within a week of the match being played. You can post these to Mike, put them in the Cash box at the Hyndburn Centre or send him an electronic copy. Neil Hepworth will continue to provide monthly press releases to local papers.

Please have a careful look at the League Programme and Other Competitions pages and make a note of the dates in your diary. It would be great if we could get more people to join in these events. We are continuing with the change to Divisional Handicap Competitions by playing these all on one day, Sunday 14th December at Hyndburn. Please support this competition and make it a good day. We have also moved the Vets and Super Vets Competition from Monday 13th April, to a week later Monday 20th April when we will play it on one evening. This year the ELTTL Closed Competition will take place on Sunday 22rd February. We hope it is as an exciting a day as last year, when the standard of table tennis was very high.

The new handicap system introduced to the Fred Holden Cup matches were a great success and we are continuing with this for this year. Grant Sagers has explained how this works later in the Handbook

We continue to see young players making great progress under the coaching of Micky Moir and Graham Young, with a number now playing in the Premier League. If you are interested in supporting our representative sides in the Lancashire & Cheshire League matches contact Bryan Edwards for details of fixtures.

Many players will be aware that the Hyndburn Sports Centre is under growing pressure to increase its income. They intend to use the Table Tennis Centre for other income-raising activities and the ELTTL Committee is working closely with the Centre Management to minimise any negative impact on table tennis. As part of this we need to have a clearer picture of when our members use the centre for practice and so we will be introducing a new system of using envelopes when you pay your £3 fee for practising. Simply we will ask you to put your money in one of the envelopes provided and write on your name and the day and date, before you put this in the Payment Box. We should be in a position to start this from the first week of the League. This should give us some useful information that we can use in our discussions with the Sports Centre Management.

Please be aware that a new plastic 3* ball has been sanctioned for use by the ITTF & TTE for the coming season, to replace the traditional celluloid one. See page 16 under Rules: General Information Point 2 for how ELTTL will introduce the ball.

If you need any help over the season please contact your divisional representative or any member of the Committee who will be glad to help. The League Secretary and Development Officer, Harry Rawcliffe, is keen to listen to any ideas for getting more people involved in playing table tennis.

Finally can I draw your attention to the League Presentation Night at Accrington Golf Club on Saturday 25th April. It is a great night to celebrate the season and I would invite all players to attend. The following Wednesday 6th May is the ELTTL Annual General Meeting at HTTC when all clubs need to be represented.

Have a good season and enjoy your table tennis.

No more than three postponements per team per season are allowed. Failure to comply with the above rules may result in the guilty teams being fined points, When awarding points in accordance with rule 11a; the points for, should be based on an average over the season; the points against, should be nil. **Please note that no fixture may be postponed without obtaining the agreement of the opposing team at least 24 hours before the commencement of the fixture, unless by mutual agreement in exceptional circumstances i.e. extreme weather conditions but not player illness or non-availability.**

15. Fees (per season) & entry to the league. All secretaries shall forward to the Fixtures Secretary their entry form indicating the team name, home night and venue, players to be registered, each player's individual TTE registration number, & simultaneously send the fees due as indicated on the entry form (as agreed at the AGM) to the Treasurer. For teams playing out of the Hyndburn TT Centre places at the centre shall be allocated on a first come first served basis subject to rule 10. All teams playing from the Hyndburn regional table tennis centre will be charged the agreed rate decided at the AGM and stated on the entry form for the season to cover table fees. The team secretary shall be responsible for all charges applicable to his/her team and that rule 10 is adhered to. Fees shall be paid by cheque, payable to "The East Lancashire Table Tennis League". Where cash is paid, a signed receipt must be obtained.

16 The season shall begin at the AGM held in May prior to the season commencing.

17 Each team shall register sufficient players to enable it to fulfil the entire league and cup matches without intermission as no team can cancel league or cup matches more than three times in a season.

18 Teams from all divisions can have up to six players registered at any one time, however Teams from within the lowest division may have up to 10 players registered at any one time if it involves at least 50% junior players and has been subject to approval by the Committee.

19a Any points won by an unregistered player(s) will not be counted nor awarded retrospectively. The opposition will be awarded the points as if that player(s) had not been present.

19b. All players must be registered with both Table Tennis England and the League and have paid their membership fees before taking part in any match. Any player requesting to be registered with the League after the original entry form has been submitted and after the teams have been set in their divisions will be subject to approval by the committee to ensure such a player does not unfairly change the nature of the competition. The committee may refuse a registration or impose limitations if for any reason they think a registration of a player will affect the spirit of fair competition. If any additional information is found subsequent to this registration the committee have a right to impose, at a later date, any condition that were not imposed at the time of registration where it is felt a distortion of fair competition has arisen mid-season. (NOTE: at the entry form stage teams can register any player they choose but the committee retain the right to judge what standard and division any particular team should then be placed). Only in exceptional circumstances will any new registrations be permitted after January 1st; once again the full approval of the committee is required.

20 During the season any transfers to another team are to be made in writing to the League Secretary for consideration by the General Committee. If approval is given, the player can play for his/her new club four days later, providing that the transfer takes place before January 1st and no previous transfer by that player has taken place during that season. No transfers may take place after Jan 1st at all, apart from when

a player plays a 6th game as reserve for a higher team and thus becomes automatically transferred to the higher team as in rule 25 below.

21 Any player having a handicap of 6 or less must play at least 25% of the remaining league matches otherwise any points won will be discounted. Playing in a doubles game does not qualify as a match.

22 For any player to be included in the Merit Table he/she must have played a minimum of 50% of possible matches during the season.

23 The Home team shall enter the playing order of its players on the scorecard first, then the away team. The games should then usually be played in the order of the card with discretion to leave doubles until the end, unless by mutual agreement games are played out of order due to a player being delayed or someone needs to go early etc but this should not be abused. For the 2014-15 season the Match Card must give details of which players have played in the Doubles – the player's numbers will be sufficient.

24 No player shall be eligible to take part in the semi-final stages of any individual knock-out competition or team handicap unless he/she has played in at least six league matches in the current season and cannot have played for a different team earlier in that season, with the exception of the divisional handicap events, where a minimum of at least two games having been played is only required.

25 Any team can nominate reserves providing, they are from a lower division and have a lower ranking number than any of the existing permanent registered squad players as known from the latest merit tables published on the league web at the date of the games a reserve is required, (if in doubt ring to check eligibility of reserve with the Fixtures Secretary before playing). A reserve can only play for one team per division up to 5 times in a season and will automatically be transferred permanently to that team after playing 6 matches (and can no longer play from that point for the team the reserve had been originally registered with in the lower division). Players from anywhere in the league can be signed on for a team in a cup match, but they can only play for one team in a season.

26 All matches shall commence no later than 7:30 PM. One player must be in attendance at 7:30, the second player at 8:15 and the third player no later than 8:45 PM. The opposing side can claim the points of those sets, which could have been played if the opponent had been present. These times are reduced by 15 minutes for games being played at the Hyndburn TT centre. Any disputes regarding points to be claimed through this rule will be subject to the Committee who will have the final say on the matter.

27 The home team secretary has the sole responsibility to notify the Fixtures Secretary of the result of the match. Secretaries should always endeavour to ensure the scorecard is returned to the box in the Hyndburn centre or posted to the Fixtures Secretary or a scanned copy emailed to the Fixtures Secretary no later than a week after the match was played. Very late and persistently late offenders may have penalty points deducted at the discretion of the Committee.

28 In the event of two or more teams having the same number of points at the end of the season, their positions shall be re calculated and re adjusted by awarding two points for each match won and by awarding one point for every match ending in a draw. If still the same it will be decided by head to head statistics over the two games verses each other in the season.

29 Fred Holden Cup matches have priority over the league matches and are counted as due to be played in the weeks set aside in the programme on the regular home night of the home team at the home team's venue, or in the case of the semi-final and Final stages in the same week as scheduled in the programme on a night to be agreed to be played at a neutral venue or at a venue agreed by the two teams involved.

30 In a group or round robin competition, all members of the group shall compete against each other and shall gain two match points for a win, 1 point for a loss in a played match and 0 points for a loss in an unplayed or unfinished match. The ranking order shall be determined primarily by the number of match points gained. If two or more members of the same group have gained the same number of match points

their relative positions shall be determined only by the results of the matches between them, by considering successively the number of match points, the ratio of wins to losses first in individual matches (for a team event), games and points, as far as is necessary to resolve the order. If at any step in the calculations the positions of one or more members of the group have been determined while the others are still equal, the results of the matches in which those members took part shall be excluded from any further calculations needed to resolve the equalities in accordance with the procedures above. If it is not possible to resolve the relative positions shall be determined by lot. This does not apply to Fred Holden Cup matches

31 Each division is based normally on having ten teams, each team will play home and away. At the end of the season the top two teams in each division will be promoted. The bottom two in each division will likely be relegated depending on the number of teams dropping out or new teams coming in. If a division has only nine teams then only one would be relegated but two promoted. The Committee may promote more than two teams in some circumstances and has discretion to decide where any newly formed teams should be placed as well as putting more than 10 teams in a division if it deems it necessary. The Committee also have the right as per rule 19b to 'promote' any team whose make up of players through changes or additions to previous seasons, in the Committee's opinion has changed their standard sufficiently to be too good for their original division. (It will not be normal practice to demote teams who due to team personnel changes have become weaker, unless they had been automatically demoted, or at the start of a season were requesting to drop a division which would be subject to the discretion of the Committee).

32 In the event that a situation arises that is not covered by the rules, the Committee has the authority to make a decision which is final. This does not constitute a precedence but may become a rule at the next AGM if considered appropriate.

GENERAL INFORMATION (NOT RULE CHANGES)

1. For casual play, practicing or coaching the session charge is £3 per player. For league matches the charge shall be £10.00 per table per home match at Hyndburn Table Tennis Centre.
2. **The new plastic balls. TT England have sanctioned the use of the new plastic 3* balls for this season but, we can continue to use the celluloid ball for this season only. Teams can use either 3* ball for matches, with the home team deciding which to use.**

Calculating Handicaps using player's rank

In an attempt to produce handicaps from actual player performances rather than from what players think they should be, a ranking system was created which was linked to our handicap system, this has been in use over the past seven seasons. To set up the system each point on the handicap chart was deemed to be equal to 35 racking points. A handicap of 0 is equal to 2600 ranking points so a handicap of 70 will be equal to 150 points. A full list is shown below.

The results from every match played are used to constantly update players ranking values, so a player who is currently on a roll would be gaining more ranking points resulting in his handicap going down, the opposite would occur for a player going through a bad patch, their ranking total will drop and their handicap would go up. Handicaps are updated before the start of the divisional handicaps, before the start of the preliminary cup round, before the closed competitions and before every further cup round including the final. The Handicap Officer has the authority to review a player's rank subject to Committee approval. The chart for awarding and deducting ranking points is shown below, this was copied from the ETTA

1. All games are played up to 21 points.
2. The difference of handicap of both players when checked in the handicap table will give the start.
E.g. Tony Blair on 19 plays David Cameron on 71. So $71 - 19 = 52$, a difference of 52 when checked on the chart at the top of this page gives a start of 16, so Tony Blair starts on 0, David Cameron starts on 16 in each game.
3. The player with the highest handicap has the choice to serve first.
4. At least one player MUST start from love (0).
5. The maximum start allowed for any player is 16 points.
6. For calculating handicaps for doubles matches, add together the handicap numbers for the doubles team and divide by two, round up to the next whole number. Do the same for the opposing team and use the table above to calculate the start. For example: Nick Clegg (0) and Gordon Brown (30) making up one team would have a handicap total of 30, divide by 2 = 15. If they played David Cameron (19) and Margaret Thatcher (56) with a total of 75, divided by 2 = 37.5, which rounds up to 38. This means that Clegg and Brown would give Cameron and Thatcher $38 - 15 = 23$, a difference of 23 gives a start of 11.

New handicap system for Fred Holden Cup 2014/2015

1. Each player's handicap rate as issued by the Handicap Officer prior to each round of the Cup is inserted onto the scorecard and the total of all three players is used as the team handicap which is their starting score.
2. Each match between individual players consists of 4 sets played up to 11. Remember **4 sets have to be played** for each individual match. The score for each set is added to the team score and a cumulative total is kept.
3. Every single point in each set counts towards the team's total score so the more points won the better.
4. First player to reach 11 wins that set, no need for 2 clear points to win it.
5. After everyone has played each other the cumulative total for each team determines who has won the match. The highest cumulative team total wins the match.
6. As usual, amended handicap rates for each player will be issued before each round of the Fred Holden Cup.
7. You will notice that the Fred Holden handicap rates for the players are exactly double the standard handicap rate.

Example (based on 2012/2013 teams) of how to fill in the new handicap scorecards for the Fred Holden Cup handicap matches:-

You will notice in this example that KSB F just win this match by 3 points.
